For Skaters who are in Basic 4 & Above

Off-Ice Training: 12:25pm – 12:50pm

Off Ice Training is a specialty class for skaters looking to enhance their overall development and to complement on-ice lessons. This 25-minute class will focus on increasing the skater's strength, posture and endurance. This class will take place inside and outside the rink (weather permitting). Sneakers are required and yoga mats recommended.

Edge Class (On Ice): 1:25pm - 1:50pm

This specialty class is for skaters that would like to develop stronger edge use, power and stamina. This 25 minute fast-paced class will improve edge quality, transitions and speed!
